Suspension of SPIRIT TX-only device shipment: STS1TXQTR and S2-LPTXQTR

SPIRIT TX-only device shipments are suspended until further notice due to significant changes of manufacturing scenario

Running businesses and design activities currently based on either STS1TXQTR or S2-LPTXQTR are strongly advised to be moved to the corresponding full-featured SPIRIT family transceivers, respectively SPIRIT1QTR and S2-LPQTR.

The equivalence of the suggested replacement parts is in terms of both pin-to-pin compatibility and TX functionalities and performances of the RF output circuitry.

PART NUMBER (CP)	REPLACEMENT (CP)
STS1TXQTR	SPIRIT1QTR
S2-LPTXQTR	S2-LPQTR
