

Product Near-End-of-Life Notification

All Device EV-DO (-EV3) Models Replacement Models Available For Most Models

Date: August 31, 2017

I. Summary

Due to the discontinuation of critical components and availability of newer models, all EV-DO models listed in this announcement are changing status from **Active** to **Near-End-of-Life (NEOL)**. It is recommended that customers transition to the suggested replacement models at their earliest convenience.

To assist you in finding the most suitable substitute product that meets your needs, please contact your MultiTech sales representative immediately. Call us at (888) 288-5470 or +(763) 785-3500, email us at sales@multitech.com or refer to www.multitech.com.

Important Note:

The products listed in this announcement use a 3G CDMA EV-DO modem. Some of the CDMA carriers have started to plan for the sunset of their CDMA 3G and 2G networks in favor of LTE. Please consult your carrier partner for network sunset information and your MultiTech sales rep for replacement product options.

Note: Extended Warranty service options for models listed in this announcement are also changing status from Active to Near-End-of-Life (NEOL).

All models listed in this announcement are encryption items. U.S. Export Administration Regulations have special restrictions on the export of encryption items; please refer to these regulations. Any export of commodities, technology, or software must be exported from the United States in accordance with the Export Administration Regulations. Export or diversion contrary to U.S. law is prohibited.

III. Key Dates

Availability of New Ordering Part Numbers: Available now

NEOL Date of Old Ordering Part Numbers: August 30, 2017

Last Time Buy Date: November 30, 2017

End-of-Life (EOL)/Last Time Ship Date: May 30, 2018

Last Time Buy Information

- By November 30, 2017, submit confirmed order quantities for guaranteed availability with a Non Cancellable, Non Returnable (NCNR) order of any of the EV3 products listed in this announcement with shipments available through May 30, 2018.

Note: All orders placed for products listed in this announcement require an NCNR agreement. Last time ship dates are negotiable with an NCNR agreement. Please contact your MultiTech sales representative for details and a copy of the agreement.

IV. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post NEOL date.

V. Suggested Action Plan:

To help facilitate the transition to one of the replacement models, we recommend the following actions be taken:

- Work with your MultiTech sales representative if your company is interested in placing an N.C.N.R. (Non-Cancellable, Non-Returnable) purchase order for any remaining EV3 devices that you require.
- Forward this announcement to others within your organization who are actively involved in the sale or support of embedded modems.
- Note that the current EV3 models are no longer recommended for new product designs.
- Notify existing customers who have been using the EV3 models and have them begin their qualification testing on one of the recommended replacement models. Work with your MultiTech sales representative to ensure the correct model is ordered.

VI. Additional Information

If you have any questions or require additional information on this Product Near-End-of-Life Notification, please contact your MultiTech sales representative:
